Dear Alex and Fred:

You will recall that at our last planning session in New York, Bob and I agreed to prepare a memorandum setting forth our proposal for interviewing appropriate Philip Morris executives in connection with the pending smoking and health cases. We have now prepared that memorandum, and it is enclosed herewith.

We should plan on discussing this matter at our meeting next Monday in Kansas City. Bob and I both believe that it is important to get the interviewing process started, recognizing that it may take some time before we can complete all of the interviews that are contemplated.

With warm regards.

Sincerely yours,

Murray H. Bring
